PROFESSIONAL SUMMARY

I'm a passionate Computer Science Engineering student specializing in AI & ML at Lloyd Institute of Engineering and Technology, Greater Noida. With a strong foundation in web development and DSA with C++, I have Excellent communication, organizational, and interpersonal abilities ensuring reliable support and promoting effective teamwork.

Education

- **Bachelor of Technology in CSE (8 CGPA)**   **2022-2026**
  Dr. A. P. J. Abdul Kalam Technical University, Lucknow
- **Intermediate (81 %)**
  Rais Ahmed Inter College, Itwa   **2019-2021**
- **High School (81 %)**
  Rais Ahmed Inter College, Itwa   **2017-2019**

SKILLS

- **Programming Languages:** C/C++, JavaScript, Python, Java (Basic), SQL
- **Web Technologies:** HTML, CSS, React.js, Express.js, Node.js, Vue.js, Bootstrap, REST
- **Databases:** MySQL, MongoDB, Database Design
- **Tools & Frameworks:** Git, GitHub, VS Code, Figma, MS office
- **Soft Skills:** Communication, Teamwork, Time Management, Adaptability, Brainstorming

PROJECTS

- **AI-Powered National Health Portal:**
  - ➢ We have developed a comprehensive web application — a unified digital health portal that brings hospitals, doctors, diagnostic labs, and patients together on a single platform.
  - ➢ I have worked as a team member on this project and participated in **Hashhacks 7.0** organised by DU.
    Tech Stacks: Next.js, Firebase. (GitHub Link)
- **MyBlog : New Technology and Innovation Blog**
  - ➢ Developed a responsive blogging platform with user authentication and CRUD operations for blog posts.
  - ➢ Implemented RESTful API endpoints for seamless data retrieval and manipulation.
  - ➢ Integrated database operations using SQL for efficient data storage and retrieval
    Tech Stacks: HTML, CSS, JavaScript, Node.js, Express.js, SQL. (GitHub Link)

CODING PROFILES

- **GitHub:** https://github.com/rroyalpradeep
- **LeetCode:** leetcode.com/u/pradeep884/
- **HackerRank:** hackerrank.com/profile/pradeepsonioffi1
- **CodeChef:** codechef.com/users/pradeep_soni
- **Codolio:** codolio.com/profile/rroyalpradeep

CERTIFICATIONS

- 1st Runner up **CODE – QUEST** Hackathon, Lloyd Institute of Engineering and Technology
- **Pitch Cypher** Certificate, Lloyd Institute of Engineering and Technology
- **Niti: The Policy Lab**, Kirori Mal College, University of Delhi
- **HashHacks 7.00** 3rd Runner up, Cluster of Innovation, University of Delhi
- Certification in Data Structures and Algorithms using C and C++ from **Udemy**

LANGUAGES

- Hindi
- English
- German (beginner)

ACHIEVEMENTS/AWARDS

- Completed 200+ problems on LeetCode with 5 Badges
- Goodies for 1st Runner up in Coding Competition, LIET   **Dec 2023**
- International Conference Volunteer, LIET   **Feb 2024**
